

Appuldurcombe Gardens *Holiday Park*

One of the Isle of Wight's most beautiful holiday hideaways

From beaches & picturesque countryside to watersports & historic houses, you'll be spoilt for choice on your Isle of Wight holiday

Appuldurcombe Gardens is situated within lush and secluded grounds, and offers a warm welcome to the holiday maker in search of peace, tranquility and the best of modern facilities.

Nearby Ventnor offers a mix of beach fun and Victorian charm, whilst the Isle of Wight's countryside is perfect for long walks, cycling or horse-riding.

The Isle of Wight really does offer something for everyone. For those seeking exploration and adventure there is an abundance of popular attractions catering for every taste and interest, whilst for those who prefer a more relaxing break, there are many beautiful, unspoilt villages and places of interest to visit at your leisure.

Our idyllic family run holiday park is situated within 14 acres of secluded grounds surrounded by open countryside. We are located in the valley of the Stenbury and St. Martin's Downs, a designated Area of Outstanding Natural Beauty and an ideal spot for walking, bird-watching and horse-riding.

The Isle of Wight offers the best of both worlds for accommodation and attractions

For walkers and cyclists there is an excellent network of footpaths and cycle paths which can be accessed within minutes from the park. If you prefer relaxing on the beach, we are only a short car journey to the famous coves and beaches of Shanklin, Sandown and Ventnor, where you can enjoy sunbathing, swimming, sailing, windsurfing and hang-gliding.

Inspirational Freshwater has been a haven for artists for over 100 years. Further along the beautiful coast Compton Bay attracts a growing number of watersports enthusiasts and thrill-seekers.

Appuldurcombe Gardens has the perfect mix of facilities for family fun in relaxing natural surroundings

Our shop provides a wide range of basic provisions, plus a selection of camping equipment, gifts and toys, and is open on demand out of season. During high season you can enjoy freshly baked bread, croissants and pastries. We also offer a freezer pack facility.

If you want a break from the Island's many beaches, but still want to make a splash, we have a large sheltered outdoor heated swimming pool and small toddlers' pool (open from spring Bank Holiday week to early September). For those not quite ready to sample the Island's wide range of watersports, we hold swimming galas and scuba diving lessons during peak season.

If you have energy left after visiting the Island's many attractions we have a children's play park and crazy golf for enjoyment.

Our café offers a selection of home-made food, and a poolside patio provides the opportunity for alfresco dining. A takeaway service is also available.
